## Think Spring!!!!!!!

My name is Jason Crawford and I have been part of the golf staff here at the resort since 1998. I am the Head Golf Professional at the Woodstone Meadows Golf Course. I've been playing golf for about 15 years and enjoy teaching the game very much and have directed the ladies league for the past seven years. I enjoy teaching the game of golf to our ladies very much and seeing their games improve from year to year.

Based on last year's number of ladies participating in the learning clinics dur-

ing the first four weeks of April, I would like to schedule the clinics over a

few days. We want to keep the ratio of students to the instructor as low as possible. During last year's putting clinics we had 30 girls show up and only two instructors. This year I

would like to have that number closer to ten ladies per session. I will provide a schedule for the ladies league starting April 30th at Mountain Greens GC. Tee times will start at 4:30p.m. to 6:00 p.m. Ladies need to sign up ahead of time with what time you would like to tee off. The refresher clinics start April 2, 2009 at 6 p.m. at the Woodstone Meadows GC. During the refresher clinics, we will work on putting, chipping, and full swing. Refresher clinics will be scheduled for April 9th, April 16th, and April 23rd, and April 30th.

*The cost for ladies league and/or refresher clinics will be \$40.00 this year. With this money we may be able to provide better prizes for our ladies on a weekly basis and for the club championship. The golf shop has moved to the Driving Range as of October 2008.*

It seems like a great idea to play fun games like Captains Choice, Pink Lady, etc... Also, this year's Pink Lady Tournament; we will use actual pink golf balls. I know that you were upset that I didn't provide pink golf balls last

year and you know how I want to make you happy. Also, this year I would like for there to be more variety in who everyone plays golf with. Golfers tend to play better when paired with better players. During May 7-10, the LPGA

will be in Williamsburg at Kingsmill Resort. You need to go watch them play, that would be a great one day road trip for anyone. Please let me know if you will be participating in league this year.
