ESTABLISHED 1972

Massanutten is the Mid-Atlantic's premier four season resort. We offer skiing, snowboarding, and snow tubing for the winter enthusiast. Golf, fishing, hiking, river excursions, and summer tubing fill the spring, summer, and fall months. Massanutten also offers an indoor/outdoor WaterPark open year-round!

Massanutten operates its winter sports programs from early December through mid-March offering 1,110 feet of vertical and 14 slopes. "Nuttin-To-It" is the resort's brand new trail opening winter 2009. Plus, be sure to check out the new Doppelmayr CTEC quad chair lift! This new lift features a loading conveyor belt – the first installed in Virginia!
